Coalition of Resort Labor Unions

2/29/2024

Theresa Holley
Director of Labor Relations
The Walt Disney Company
700 W Ball Rd
Anaheim, CA 92802

Ms. Holley,

The Coalition of Resort Labor Unions stands in solidarity with our colleagues who are joining together with the Actors' Equity Association to form Magic United. Cast Members in Parades and Characters deserve the same seat at the table that we have, as do many other Cast Members who have not yet organized. We represent Cast Members who work in many different capacities across the entirety of the Disneyland Resort, from warehouse workers to performers, candy makers to hospitality staff, and one thing unites us: We know that standing together has improved our jobs, and our jobs have improved the experience for every Disneyland Guest. We all love being a part of the Disney magic, and we are confident that Magic United will make that magic even stronger.
